

# RWE

London

**RWE Supply & Trading** is a leading European energy trading house and a significant entity on the global wholesale markets for energy and energy-related raw materials in both their physical and/or derivative forms. We are part of the RWE Group – a powerful player in the transformation of the European energy system.

We trade in energy and energy-related raw materials including power, gas, coal, freight, oil, weather derivatives, biomass, emissions certificates and renewable energies. We are responsible for the economic optimisation of power generation and the entire non-regulated gas business of the RWE Group, including all procurement, storage and LNG-related activities.

**Over 1,600 employees from over 50 countries.**
